

You may remember the name Sunshine Smith-Williams from celebrity shoe boutique JeT'aime Shoes in Brooklyn N.y. She is now an Author. Smith-Williams writes *The Rules On Becoming a Boss Chick!*

Rising from gritty Queens, New York housing projects, Sunshine Smith-Williams single handedly broke the tight reigns of poverty. Utilizing education as her weapon of choice, Smith-Williams became a successful hip-hop artist manager, film producer, real estate broker, legal consultant and the co-owner of a thriving chain of shoe stores, JeT'aime Shoes. This "Jane of all trades" now adds author to her impressive resume with the debut of her new book, *Sunny 101: The 10 Commandments Of A Boss Chick.*

Taking note that women of her generation and background often fall prey to common pitfalls which derail them from achieving their dreams, Smith-Williams created a powerful resource to help women navigate through life challenges and come out on top!

"I can vividly remember stepping over fresh piss in the elevator and pushing past prostitutes and hustlers to get to school. Many told me I was destined to fail and I'd be a product of my environment, but that wasn't the case. It hasn't been easy, but I made it! Now that I've learned the ropes, I want to share this knowledge with others so they will avoid my mistakes." Sunshine Smith-Williams stated.

In her powerful self-help memoir, Smith-Williams teaches women how to triumph over adversity and utilize challenges as fuel for success. Step-by-step through each poignant commandment, *Sunny 101: The 10 Commandments Of A Boss Chick* equips readers to overcome fear, increase their self-esteem, build powerful relationships, and rise as a shining star amongst the pack. Filled with easy-to-read revelations on how to become a virtuous woman, discover your purpose, find a mate, keep him, gain notoriety and obtain wealth, this book is a MUST have companion for today's striving women!

Although some believe no woman can have it all, Smith-Williams enlightens readers they too can beat the odds and become a Boss Chick! Sharing intimate details of her life growing up in a single-parent home, living in impoverished neighborhoods, enduring physical abuse and encountering many other life's obstacles, Smith-Williams details the road map she used to overcome adversity. From New York City housing projects to corporate board rooms of Fortune 500 companies, this Boss Chick shares her struggles and the techniques she used to climb to the top, inspiring her readers they too can do the same.

"It was important for me to let women know that regardless of their past hardships, it does not have to dictate their future. The greatest virtue a woman can have is faith. I wrote my book to give women hope and let them know they too can achieve their dreams. If I can get them to believe it, I know they can achieve it!" Smith-Williams stated.

Through captivating story lines that read similar to a thrilling urban fiction novel, *Sunny 101: The 10 Commandments Of A Boss Chick* provides real-life examples to illuminate the message in the text. Told through Smith-Williams' candid voice of reason, her vivid illustrations are sure to hit home! Not only does she educate her readers, she empowers them to strengthen their endurance and sharpen their insight, inspiring them to become their very best! With this action packed self-help manual that is sure to stir the soul and stimulate the mind, any woman can become a Boss Chick!
